ABOUT ME

Aspiring Software Designer with expertise in web development and UI/UX design. Proven ability to design and develop scalable applications.

EDUCATION

- **Annasaheb Dange College of Engineering and Technology (ADCET)** **Ashta (INDIA)**
  Bachelor of Technology in Computer Science and Engineering (Internet of Things and Cyber Security) Dec 2021 — Jun 2025
  CGPA: 7.4/ 10
- **Padmabhushan Dr.Vasantraodada Patil Mahavidyalaya (PDVP)** **Tasgaon**
  HSC IN SCIENCE Mar 2021 – Jun 2020
  Percentage: 72.60

SKILLS

- **Programming Languages**: C, C++, HTML, CSS, JavaScript
- **Tools**: Figma, Canva, VS Code, Git/GitHub
- **Soft Skills**: Leadership, Team Management, Innovative Thinker

EXPERIENCE

- **GTT Data Solutions (UI/UX Designer)** **Apr 2025 – Current**

At GTT Data Solutions, I work as a Software Designer creating modern UI/UX designs, wireframes, and prototypes using Figma and Canva while collaborating with developers to deliver clean, responsive, and user-friendly interfaces for multiple internal projects.

INTERNSHIP

- **GTT Data Solutions (Offline)** **Jan 2025 – Mar 2025**

During my internship as a Software Development Intern at GTT Data Solutions, I successfully designed and delivered UI projects using tools like Figma, and Canva. This experience strengthened my skills in wireframing, prototyping, and UI/UX design, aligning perfectly with creating seamless, intuitive user experiences.

PROJECTS

- **Room Finder Application *(MERN Stack, MongoDB Atlas)*** **Dec 2024 – Jun 2025**

Developed a full-stack room rental platform featuring secure OTP authentication, dynamic property listings, real-time availability tracking, and interactive map-based location selection.

ACTIVITIES

- **Apex Predator (Cyber Security Club) ADCET** **Ashta , Maharashtra**
  Application Designer **Aug 2023 – Mar 2024**

CERTIFICATIONS

- **Create High-Fidelity Designs and Prototypes in Figma** **Google**
- **Accenture Product Design virtual experience** **Forage**
- **SQL (Advanced)** **HeakerRank**
- **API fundamentals course(APIs)** **Postman**
- **The Front-End Web Developer: HTML, CSS, JS & React** **Udemy**
- **AWS Security Fundamentals** **AWS**
- **Best Research Paper Award 2024** **VIVIBHA**
